RCI®

As the worldwide leader in membership travel services to the vacation ownership industry, the company offers the industry's leading vacation exchange platform to its 3.5 million members around the world, providing access to 4,100 affiliated resorts in approximately 110 countries. RCI Travel offers enhanced travel services, allowing its members to flexibly travel year-round.

BY THE NUMBERS:

- **3.5 million** members
- **4,100** affiliated resorts around the world

How It Works

- RCI WEEKS® This works well for classic timeshare owners who generally own a week at a resort. They can then exchange that week through RCI for a week at a different property.
- RCI POINTS® In this points-based membership, an owner's interest in a timeshare resort is translated to points. The advantage is more flexibility — allowing owners to exchange for a single-night stay instead of a full week.
