**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On December 3, 2013, Wyndham Global Finance PLC (the “Issuer”), a wholly owned subsidiary of Wyndham Worldwide Corporation (the “Company”), commenced a new European commercial paper program (the “Program”) on a private placement basis under which the Issuer may issue from time to time unsecured commercial paper notes, guaranteed by the Company (the “Notes”), up to a maximum aggregate amount outstanding at any time of up to U.S. \$500,000,000. The proceeds of the issuance of the Notes will be used for general corporate purposes. Amounts available under the Program may be reborrowed. The Company’s revolving credit agreement is available to repay the Notes if necessary. The Program serves as an alternative source of funding for the Company and not as an increase to the Company’s overall debt or debt capacity.

The Program provides the terms under which dealers will either purchase from the Company or arrange for the sale by the Company of Notes outside the United States pursuant to Regulation S of the Securities Act of 1933 as amended. The Program contains customary representations, warranties, covenants and indemnification provisions. The maturities of the Notes will vary but may not exceed 364 days from the date of issue. The principal amount of outstanding Notes under the Program may not exceed U.S. \$500,000,000. The Notes will be sold at a negotiated discount from par or will bear interest at a negotiated rate.
